From the policy manual section VII:

2.2 Branch/Facility Committees

Each Branch/Facility shall form a standing committee to prepare contract proposals.

This committee will present proposals for discussion at a Branch/Facility meeting or a Branch Council meeting to determine their validity and rank them in order of priority.

*These proposals will be forwarded to the Contract Committee in sufficient time to be useful.
(Conv. 1987)*

5.4 Contract Proposals

For the purposes of contract proposals a Branch may establish a policy permitting the Branch Council meeting to act in the place of a Branch meeting. (Fall 1986)

If you have any question please do not hesitate to contact the National Executive.

In solidarity,

Greg Myles
President
