

March 11th, 2014

TO: BRANCHES AND FACILITIES

Greg Myles' Retirement Party

In 2001, CATCA changed its structure and the Board of Directors, as it exists today, was created. Since 2001, one thing has remained constant on CATCA's Board of Directors: Greg Myles. After more than 13 years as a national executive member, Greg is retiring.

On April 30th, 2014, the CATCA Board of Directors and invited guests will gather to say farewell to Greg as he concludes his last day of work as the President of CATCA. The CATCA Board of Directors would like to invite all CATCA members to attend his send off.

A reception will be held at the Sheraton Hotel, 150 Albert Street in Ottawa, commencing at 4:00pm. Dress will be business casual. This will be an opportunity for everyone to say goodbye to Greg and wish him well. Members can also say hello to the new team that will be leading CATCA, including the newly elected President and RVP from the Central Region who will be named when elections conclude on March 20th.

Travel, time off and accommodations are at the members' own expense. If you would like to attend, please R.S.V.P to sarahmac@catca.ca no later than April 1st, as commitments need to be made to the hotel.

Please join us April 30th to say goodbye to the old and hello to the new. It promises to be an evening of nostalgia and stories!

In Solidarity,

The CATCA Board of Directors
