**TO: REGIONAL VICE PRESIDENTS  
BRANCHES & FACILITIES**

On Wednesday April 30<sup>th</sup>, Greg Myles retired from the office of President of CATCA. A reception was held that evening and many members, friends and colleagues attended to wish Greg well in his retirement. Thank you to everyone who took the time to come out and give Greg a fitting send-off.

I have now assumed the office of President and I look forward to the challenges ahead. I would like to take a moment to thank Greg for his support during this transition. I would also like to thank our office staff, Miriam and Sarah, who have been showing me the way our office runs. Most importantly, I want to thank CATCA's Board of Directors. Doug, Scott, James, Gary, Eric, and Dave, along with Ron Smith, Director of Transportation for Unifor, have shown me nothing but support. As we move forward, I know my team will be an extremely strong one that will represent the needs of our members well.

In the coming months, I will be visiting branches across the country and I look forward to meeting as many members as possible.

As I begin my new job as CATCA President, I do so with extreme pride. My first order of business is the IFATCA conference in Europe where representatives from around the world gather to talk ATC. I am so proud to be heading the delegation representing the men and women of CATCA. It is indeed an honour to represent you, the best Air Traffic Controllers in the world.

In Solidarity,

Peter Duffey  
President
