TO: BRANCHES AND FACILITIES

IFATCA Magazine

Effective immediately, IFATCA will cease printing issues of *The Controller* magazine. The magazine will still be available in electronic format. Members can visit the IFATCA website at http://the-controller.ifatca.org to read the latest issues. As well, the CATCA National Office will be distributing a PDF version to the RVPs, who will then distribute to each branch.

Sincerely,

Doug Best
Executive Vice President
