CATCA DUES RATE

For the past 5 years, CATCA union dues have been temporarily reduced from 1.75% to 1.5%. CATCA has been fiscally responsible and operated within the new reduced dues structure while at the same time ensuring our members' needs are being met. The continued efforts of everyone at CATCA has brought us to a point where the reduction of dues can now be made permanent.

Therefore, at the CATCA Board meeting in October a resolution was passed unanimously making the temporary dues rate of 1.5% a permanent rate reduction.

On Behalf of the Board of Directors;
