### Online CATCA Membership Card

We are pleased to announce a new online Membership Card.

You now will be able to:

- complete a new or updated member card online
- receive immediate email confirmation of your submission
- receive a PDF copy of your approved member card once processed
- indicate if you are a new or returning member, which will help inform National Office of your status

You can access this new system at [catca.ca/en/membership-card](http://catca.ca/en/membership-card), or simply click the “Membership card” Quick Link on the home page. While the existing printed cards can be used until December 31, 2017; as of January 1, 2018, only online submissions will be accepted.

Please contact your Branch representative with any questions or concerns.

Sincerely,

Doug Best  
Executive Vice President
