Goose Bay Branch Ratifies New Collective Agreement

A new 5-year collective agreement has been ratified by our members at 5 Wing Goose Bay.

Members of the Canadian Air Traffic Control Association (Unifor Local 5454) ratified the deal that was reached with Serco Canada by voting 100% in favour. The new collective agreement term will be January 1, 2018 to December 31, 2022.

CATCA would like to thank our members in Goose Bay for supporting us with a 100% show of support.

In solidarity,

Peter Duffey
President
