Call for CATCA Classification Committee Member

Strong, effective committees are the most productive tools within our Association – helping to serve our members' needs through group problem-solving. It is important that as terms on committees rotate, all members are up-to-speed with current projects.

The Executive Board has therefore decided to add an additional volunteer position to the current Classification Committee in an orientation/shadow role. Once the person has completed the orientation process, they will become a full-time member of the committee and replace a current committee member. We envision this to be an ongoing process so we maximize member exposure to the important work this committee does.

Any member wishing to be considered for appointment to this committee should forward a letter of intent as well as a resume to:

Doug Best
Executive Vice President
dbest@catca.ca

All applications must be received by Thursday, March 29 by 16:00 ET.

If you have any further questions, please contact your Regional Vice President.

On behalf of the Executive Board,

Peter Duffey
President

Doug Best
Executive Vice President
