### **National Office Building Purchase**

As outlined at the regional training seminars at Convention 2016 in Halifax, and at recent town hall meeting, CATCA has been looking to purchase a building to house National Office.

We are pleased to announce that after three years of searching, we have closed on a building in Ottawa's west end on Laperriere Avenue. The renovation process will begin shortly, and a timeline for the move in 2019 will be established with the General Contractor.

On behalf of the Executive Board,
