Changes to the Classification Committee

Jerry Fry, of Edmonton Tower, has come to the end of his tenure on the Classification Committee. Jerry was a founding member of this team, and we are extremely grateful for all of his time, energy and commitment to the role.

As outlined in the [May 23, 2018 B&F](#), Blair Rowbotham, of Moncton Tower, was in the orientation position, and will now sit as a full-time member of the committee. Colin Yukes, of Ottawa Tower, will take the orientation/shadow role.

On behalf of the Executive Board, thank you Jerry, congratulations Blair and welcome Colin.
