Bargaining Bulletin #15: The Contract Committee Reconvenes

The CATCA Executive Board has had numerous teleconferences discussing bargaining strategies and the next moves. The Board will now reconvene the Contract Committee in Ottawa on November 26, 2019.

The purpose of the meeting will be to determine our next steps, which could see us formally declaring a dispute with NAV Canada.

At this time, no meetings are scheduled with NAV Canada.

Thank you for your patience, professionalism, and most of all, your support as we continue to move forward.

On behalf of the Contract Committee,

Peter Duffey
President

Doug Best
Executive Vice President
