Bargaining Bulletin #17: Collective Bargaining

CATCA's Contract Committee met in Ottawa on December 16 through December 18 to continue the collective bargaining process with NAV Canada.

Comprehensive proposals were exchanged, and considerable progress has been made towards a final settlement. There are minimal outstanding items, but those items prevented a tentative agreement from being reached.

Further bargaining dates are scheduled for the week of January 13, 2020.

We again thank you for your patience, professionalism, and, most of all, your support as we continue to move forward.

On behalf of the Contract Committee,

Peter Duffey
President

Doug Best
Executive Vice President
