**TO: REGIONAL VICE PRESIDENTS
BRANCHES & FACILITIES**

Fatigue Safety Action Group (FSAG)

In July of 2019, CATCA published a B&F announcing our involvement in FSAG. Since that time, CATCA has attended all the FSAG meetings and been a full participant.

At this time, CATCA believes that participating in FSAG is not in the best interest of our members. As a result, CATCA is discontinuing its participation in the working group.

We will continue discussions with NAV Canada to ensure fatigue is adequately addressed and that any mitigation measures put in place are in the best interest of our members. We will also continue to offer our expertise and opinions on fatigue related issues, but we will do so through different forums.

On Behalf of the Executive Board;

Peter Duffey
President

Doug Best
Executive Vice President
