### **Communications Advisor**

We are pleased to announce that Sumeeta Narula has accepted the vacant role of Communications Advisor for the CATCA National Office.

Over the past two years that Sumeeta has been with CATCA, she has taken on many roles. Starting as the Office Administrator and then transitioning to a Labour Relations Associate, she has proven to be a valuable member of our National Office.

Sumeeta will work to enhance communications to the membership and will be refreshing the association's online presence in her new role, among many other things.

Sumeeta can be reached at [sumeeta@catca.ca](mailto:sumeeta@catca.ca).
