RE: Retirement Notice

Dear Members,

We write to inform you that CATCA Central Regional Vice President, Mr. David Doerksen, has tendered his retirement notice to NAV Canada and the CATCA Executive Board, effective as of January 4, 2021.

Mr. Doerksen was dedicated to CATCA and his representation of all Members. David has truly been instrumental in making positive changes for CATCA Members in the many roles he has taken on as a CATCA leader and representative including, Regional Vice President for both Prairie and Central Regions, CATCA Executive Board Member, Contract Committee Member, and a local branch representative.

David has been a valuable resource and expert on many issues faced by our Association. While it goes without saying that David's knowledge while dealing with our day-to-day business will be missed, the entire CATCA Executive Board would like to take this opportunity to wish David all the best in his retirement and future endeavours. Thank you David for the time, dedication, leadership and knowledge you have provided over the years.

In Solidarity,

Doug Best  
President

Scott Loder  
Executive Vice President
