Communications Officer – National Office

CATCA is pleased to announce that Israel Mbouyi has joined the National Office staff as our new Communications Officer. Israel has extensive communication and social media marketing experience working in both the private and public sectors. He describes himself as being good at combining art and data while being creative, analytical, and effectively communicating a business, brand, and organization's vision.

Israel can be contacted via email at israel@catca.ca. We are excited to have him join the Association as our Communications Officer.

Sincerely,

Nick von Schoenberg
Interim President

Scott Loder
Executive-Vice President
