International Day of the Air Traffic Controller – Pizza

Thursday October 20, 2022, is recognized Globally as the International Day of the Air Traffic Controller. This day recognizes and pays tribute to the hard work of the men and women of ATC that keep our skies safe, and take pride in doing so every day.

In recognition of this significant day, CATCA has made arrangements with local Branch Executives to provide pizza to our members working on Thursday October 20th as a sign of solidarity and appreciation for the work our members do, and have done, in the face of some very challenging times to provide a safe and seamless experience to our customers.

Thank you all, and Happy International Day of The Air Traffic Controller.
