CATCA MEMBER SURVEY

Your Executive Board has created a 10 minute, 23 question survey which evaluates how the decisions being made by NAV Canada are affecting our members. We encourage all active members partake.

The survey will be available as of **today, Thursday, May 4th** and will close on **Thursday May 11th** by **1600 hrs ET.**

This will be crucial statistical information for CATCA to use as we relay the sentiments of our Membership accurately and ensure appropriate representation with supporting data.

- You can access the English copy of this survey by clicking this link: [Survey](#)
- You can access the French copy of this survey by clicking this link: [Survey](#)

Using the tab in the upper right-hand corner, you can switch between English and French.

The survey is anonymous and the software will not record the identity of who fills it out.

Members are encouraged to complete the survey as soon as possible.

Thank you for participating.

On Behalf of the Executive Board,
