Nomination Result – Atlantic Tower Contract Committee Member

This is to advise that Peter Bryant (YQM Tower) had to step down from his position on the Bargaining Team as the representative for the Atlantic Towers. As a result of Peter Bryant's departure, an expedited process was put in place to replace him in time for the next round of bargaining with Nav Canada. That week of bargaining is currently scheduled in Halifax January 23-27. The National Executive passed a resolution to follow an expedited process that has been approved by the Elections Committee.

It is in saying this, that we would like to congratulate Raelene Crowe from YYT Tower for being elected as the new Atlantic Tower Contract Committee Member. Please join us in welcoming Raelene into her new role.

In solidarity,

Nick von Schoenberg
President

Scott Loder
Executive Vice President
