### ***Exciting News: Introducing Our New Website and Mobile App!***

On the International Day of the Air Traffic Controller, we are thrilled to announce a major milestone in our journey: the launch of our brand-new website and (*soon to come*) mobile app! This significant upgrade is a testament to our commitment to providing you with the best possible experience, whether you're on your computer or your mobile device.

**Explore Our Revamped Website:** Our redesign offers a sleek and user-friendly interface, making it easier than ever to navigate, find information, and engage with our content.

#### **Member Dashboard**

- Customize your own user profile, add friends, and receive notifications on your feed to stay up to date on the latest content.

#### **Chat**

- Add fellow members, and use our chat feed to quickly share messages. This function works much like Facebook messenger!

#### **New Layout**

- Our new website design is made to improve usability and improve your experience online. From our internal and external news feed, to our easy-to-find Union resources and content; This new website was designed with your experience in mind.
