### **IFATCA ANNUAL CONFERENCE**

From April 15<sup>th</sup> to 19<sup>th</sup> Scott Loder, Jerry Brodt, Benoit Vachon and Fred Cosgrove attended the IFATCA 63rd Annual Conference where they participated in discussions and voted on policy amendments within the Finance, Technical, Legal and Constitution Committees. They also took time to network with ICAO permanent member bodies and other Alliance Unions.

This important work helps shape the future of the rules and regulations that govern the Air Traffic Control profession by analyzing current and conceptual ideas and making recommendations that are presented to ICAO as they develop their policies for the Air Navigation System worldwide.
