Annual Recurrent Training (ART)

CATCA has been actively advocating on behalf of our members to have NAV Canada expand and enhance our Annual Recurrent Training (ART). September 15th is the deadline for submitting topic requests. This is your chance to directly influence the content of our recurrent training.

We strongly encourage you to take a few moments this week to share your thoughts using the following link: [Submit a National ART Topic](#).

Your input will be reviewed during the Training Benefit Analysis workshop in October and will help ensure that the ART is more meaningful and aligned with what we, as professionals, deem important.

On behalf of the executive board,

Nick von Schoenberg
President

Scott Loder
Executive Vice President
