Executive Board Elections Update

This letter provides an important update regarding recent Executive Board election processes.

Upon completion of the Executive Board elections, a request was received for a review of the Executive Vice President (EVP) election. In response to this request, the CATCA Elections Committee is conducting a review in accordance with [Unifor Local Election Policy](#) and the [Unifor Constitution](#). Once complete, the report and recommendations made by the Elections committee will be shared with the membership who will then have the opportunity decide if further action is required.

In light of this ongoing review, the CATCA Executive Board has decided to await the report and recommendations from the Elections Committee before commencing with the election for the St. Laurent Regional Vice President (RVP) position. As per CATCA Bylaws, the Executive Board is required to appoint an interim RVP within 30 days of the position becoming vacant. Effective immediately, Benoit Vachon has been appointed St. Laurent RVP until such time that a regional election has been completed.

We appreciate your patience and understanding as this process unfolds. Further updates will be provided as soon as more information is available.

Sincerely,
The CATCA Executive Board
