Annual Recurrent Training (ART)

CATCA continues to advocate on behalf of our members for NAV Canada to expand and enhance our **Annual Recurrent Training (ART)**.

September 30, 2025 is the deadline for submitting topic requests — your opportunity to directly shape the content of this year's training. This helps ensure ART remains meaningful and aligned with what we, as ATC professionals, see as most important.

We encourage you to take a few minutes this week to share your ideas using the link below:
